Urgh...
.....
You woke up already?
I didn't sleep at all...
Then why are you at my house?
Urm
This is my house...

This is your house?
Then why am I at your house?
After you finished saying that sentence, you passed out. You have been sleeping for the whole day
QR: Remember what the description says? Both have mental problems that's why You Ya couldn't remember clearly.
I was sleeping at your house?! You didn't do anything right?
I carried you back and you were sleeping till now...
Oh... Then where is this?
This is my house
Why am I at your house?
Because you fainted
This is weird. It does not make any sense at all..
Golden monkey?
Ping Pong Ball?
Ping Pong Ball?!

QR: Ping pong ball and golden monkey both have the same colour. So You Ya remembered
